MATERIAL SAFETY DATA SHEET: FINISHED PRODUCT

MSDS No.: N/A
Issue No.: 1

Issue Date: 20/07/09
Review Date: 20/07/12

1. PRODUCT DETAILS

Name: **Body Gel**
Alternative Name(s): N/A
CAS No.: N/A
SIN: N/A
EC No.: N/A

2. COMPOSITION (%)

Water: 80 - 90
Stabilisers/emulsifiers/surfactants: 1 - 5
Emollients/conditioners: 1 - 5
Additives and preservatives: 1 - 5
Perfume: < 0.5

3. HAZARD IDENTIFICATION

Non-hazardous
May cause eye irritation.
Ingestion may cause nausea and vomiting.

4. FIRST-AID MEASURES

Ingestion: Wash out mouth with water. DO NOT induce vomiting. Seek medical advice.
Skin contact: Not applicable.
Eye contact: Immediately wash out eye with copious clean water for at least 10 minutes, while holding the eye open. Seek medical advice if symptoms persist.

5. FIRE-FIGHTING MEASURES

Fumes containing CO₂, CO, and nitrogen oxides may be formed in large fires.
Use powder, foam, sand, or vaporising liquid.
Do not use a water-jet.

6. ACCIDENTAL RELEASE MEASURES

Contain and collect spillage.
Wear impervious eye protection while cleaning up the spillage.
Do not wash into drains.
Do not mix with other waste material.
Dispose of in accordance with federal, state, and local authority regulations.
Seek advice from the local waste authority or contact Eros for guidance.

7. HANDLING AND STORAGE

Store in a cool dry, well-ventilated area, away from incompatible materials and sources of ignition.

Avoid exposure to direct sunlight and heat sources.

Store in container provided or stainless steel vessel.

8. EXPOSURE CONTROLS

Avoid contact with eyes.

Avoid ingestion of the product.

PPE (where spillage has occurred)

Skin protection: Protective overalls and shoes/boots, if necessary.

Hand protection: Impervious gloves, if necessary.

Eye protection: Safety goggles recommended.

Respiratory protection: Not necessary.

All personal protective equipment must comply with the appropriate EEC (CE) standards and should be maintained and stored so as to ensure suitability for use.

Where necessary, workers should be trained in the effective use of the equipment provided.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance: As appropriate

Odour: As appropriate

pH: 5.0 - 8.0

Boiling Point/Range, °C: N/K

Melting Point/Range, °C: N/K

Flash point (°C, closed cup): N/K

Flammability (gas/solid) Not flammable

Explosive Limits: N/A

Relative Density (water = 1.000): 0.950 - 1.000

Solubility in Water Good

Other:

Note: Section 9 is not a specification.

10. STABILITY and REACTIVITY

Very stable at standard conditions.

Decomposition products:

CO₂, CO and nitrogen oxides may be formed in a fire.

11. TOXICOLOGICAL INFORMATION

No information.

Acute digestive tract exposure may cause nausea and vomiting.

12. ECOLOGICAL INFORMATION

Non-hazardous to living resources.

Product is biodegradable.

13. DISPOSAL CONSIDERATIONS

When disposing of waste or surplus materials, avoid ingestion and contact with the eyes.

Wear impervious gloves/ overalls & safety goggles, if necessary.

DO NOT wash into drains.

Dispose of in accordance with federal, state & local authority regulations.

Seek advice from the local waste authority or Eros Laboratories.

14. TRANSPORT INFORMATION

Packing Group: III

Class: N/A

U.N: N/A

IMDG Code (page): N/A

A.D.R.: N/A

IMCO Class: N/A

15. REGULATORY INFORMATION

EC Regulations

Label: N/A

Risk Phrases: R22. Harmful if swallowed.

R36. Irritating to the eyes.

Safety Phrases: S25. Avoid contact with eyes.

S29. Do not empty into drains.

Local Regulations

UK Exposure Limits N/K

16. OTHER INFORMATION

Notes:

N/K: not known; N/A: not applicable

The above information is correct to the best of Eros Laboratories' knowledge, and is intended to describe the product only in terms of health and safety requirements.

Since the conditions of use are outside the control of Eros Laboratories, any recommendation or suggestions are made without guarantee, and Eros disclaims any liability for loss or damage suffered from use of this information.

Customers must satisfy themselves that the product is suitable for a particular purpose.
